**Senator Campbell Statement on Shameful Court Ruling on Voter ID Law**

AUSTIN - "Judge Ramos' Wednesday ruling is nothing more than political posturing from the bench when the courtroom should be absent of such partisan bias. The changes the Legislature made this session to the voter ID law were thoughtfully crafted with lots of citizen input and allow flexibility for the circumstances of all Texans while still safeguarding integrity at the ballot box. It's a shame to see some use this issue as a political football rather than uphold the rule of law, protect the bedrock of our democracy, and prevent voter fraud."
